

Landscape / Irrigation Technician

Now hiring Landscaping & Irrigation Technicians for the 2020 Landscaping Season!

Position Overview:

The Landscape & Irrigation Technician position is an excellent opportunity for motivated, hardworking individuals with or without industry experience to become a member of a company committed to excellence, committed to our customers, and committed to our employees.

Are you looking to enter and learn a trade that makes an immediate and lasting improvement to any property, commercial or residential? A trade that allows you to work outdoors and provides a constant change of scenery? A trade that will keep you physically fit? And most important, be a part of a company that will provide you with the training and resources to move up within the company? If so, Croix Management is the place for you. At Croix Management you are more than just another body or number, you are our most valuable resource.

Earning Potential:

- Hourly wages of \$19 - \$24 per hour

The ideal candidate should be able to answer "YES" to one or more of the following:

- Would you like to learn a trade that makes an immediate and lasting improvement to any property?
- Do you like to work outdoors with a constant change of scenery?
- Do you like to be physically fit?
- Do you want to be a member of a company that is fast growing with many advancement opportunities?
- Do you want to be a member of a company that will provide you with the training and resources to take advantage of advancement opportunities?

If so, Croix Management is the place for you. Have access to the training and resources you need to move up to a Jr. Foreman and beyond.

The ideal candidates should be this type of person:

- GOAL ORIENTATED
- Wants more out of life than to just get by.
- Strong work ethic.
- Takes pride in their work, their team, and the company they work for.
- Organized with a strong attention to detail.
